

Let's Talk Through Flowers

*Let us create a memory for your Beloved using our
skills and passion in the art of Flower Arranging
Creating beautiful
individual flowers for your loved one.*

At Roost we offer a bespoke floral service for those that wish to remember their Beloved with a fitting and just memory.

From initial consultation, which is incorporated in our service, you will be provided with experience and attention to detail.

We are always aware that it can be a difficult time and although we have our standard arrangements, we are flexible to capture your wishes and requirements.
