Services

Direct Cremations

A simple, dignified, lower cost option without a traditional funeral service or ceremony. Sometimes known as an unattended cremation, whether through personal choice or financial preference.

The two different options for this are:

COMPLETELY NON-ATTENDED

We make all the necessary arrangements for the direct cremation. This would be a non-attended cremation with no guests permitted at the Crematorium. We would let you know when the ashes are ready to collect.

The total cost for this service is £999.00

DIRECT CREMATION

This would be arranged with a choice of date and an early cremation between 9:00am-9:30am. The funeral may be witnessed by a maximum of 6 guests and music can be played for the entrance of the coffin. There would not be a service but a short time with the coffin could be spent in the Chapel.

The total cost for this service is £1800.00
