Direct Cremations

A simple, dignified, lower cost option without a traditional funeral service or ceremony. Sometimes known as an unattended cremation, whether through personal choice or financial preference.

The two different options for this are:

COMPLETELY NON-ATTENDED

We make all the necessary arrangements for the direct cremation. This would be a non-attended cremation without guests permitted at the Crematorium. We would let the family know when the ashes are ready to collect from our office.

Price of £999.00 + removal cost, including disbursements

EARLY SERVICE CREMATION

This would be arranged with a choice of date and an early cremation slot of 9:00am or 9:30am. The funeral may be witnessed by a maximum of 10 guests and music can be played for the entrance of the coffin. There would not be a service but up to 15 minutes could be spent with the coffin in the Chapel.

Price of £1800.00 + removal cost, including disbursements
